

Modular Stainless

Case Study

Brick Lane Tavern

#1

#2

Installation Type: Theme Bar / Brassiere

Location: New Lynn, Auckland

Picture #1

The dishwashing station at Brick Lane Tavern utilises both Modular Stainless and custom made benches. A Modular Stainless dishwasher outlet bench (**MS-OB-1200L**) sits in the foreground; it is designed to complement the hood type dishwasher behind. A custom-made bench unit sits in the corner. It uses the Modular Stainless dish wash bench profile but has been customised to fit the space available. **MS-OS-1200** overshelves provide storage above.

Picture #2

Here is a potwashing station. There are two overshelves suspended over the **MS-DS-2400** (2400 long, double sink bench). A small handwashing basin has been welded on to the Modular Stainless bench.
