

Modular Stainless

Case Study

## *Stellar Restaurant*

#1

#2

**Installation Type:** Upmarket Bar / Restaurant

**Location:** Courtney Place, Wellington

Picture #1

Two MS-OS-1800 overshelves are well utilised above a Modular Stainless sink bench **MS-SB-1800L**

Picture #2

The Dishwashing Station is set up in a corner configuration. The Modular Stainless inlet and outlet benches work in conjunction with the pass through hood type dishwasher. The bench top detail forms a guide for dishwasher racks and allows easy flow through the machine without jamming. Together with the pre-rinse gun and faucet these units form a good, working solution for the higher volume dishwashing demands in this professional kitchen.
